

JAMES HAWORTH

February 1982

Byname: James
Born: England
Parents:
Married: England
Spouse: Isabel
Died: probably before 1699 in England
Interred:

James lived in Rockcliffe near Bacup in Rockdale Parish, 20 miles north of Manchester in Lancashire, England.

Of James' children, Mary, George, and another daughter and son immigrated to Pennsylvania; his other children probably remained in England.

Isabel, his wife, died between 1706 and 1709. This information was determined from letters written by their son George from his new home in Pennsylvania to his family in England. George arrived in Pennsylvania in 1699. Because George never mentions his father in his letters, I have assumed that James Haworth died before 1699.
